

Certificate

OEKO-TEX® STANDARD 100

MAPA SAS

is granted the OEKO-TEX® STANDARD 100 certification
and the right to use the trademark.

SCOPE

Knitted working gloves, references 552 and 664, produced from white polyester (recycled) yarn / green polyester yarn / white elastane yarn, with black nitrile coating and blue (552) or black (664) heat transfer on the back of the glove (heat transfer printed label) (total recycled content 24%: recycled polyester from post-consumer PET bottles.) Knitted working gloves, references 599, 600, 610 and 615, 815 made of white or dyed polyester (recycled)/polyester/elastane, mixed with raw white, grey or black HPPE (HDPE), glass fiber, inox and/or copper yarns (20%-30% recycled polyester from post-consumer PET bottles), with polyester/rubber yarn, with nitrile coating in black or PU coating in black or grey, and grey heat transfer on a white background (heat transfer printed label). Including accessories: rubber band, polyester piping yarn, heat transfer printed label, polyamide printed label. Only based on components already certified according to OEKO-TEX® STANDARD 100.

PRODUCT CLASS

II (products with direct contact to skin) - Annex 4

Further compliance information (REACH, SVHC, POP, GB18401 etc.) can be found on [oeko-tex.com/en/faq](https://www.oeko-tex.com/en/faq).

The certificate is based on the test methods and requirements of the OEKO-TEX® STANDARD 100 that were in force at the time of evaluation.

This certificate CQ 979/3 is valid until 28.02.2027.
